MESSAGE FROM THE MANAGING COMMITTEE 2015-16

Dear colleagues,

The preparations for our Annual Scientific and Social Jamboree **BOA FOCUS 2015** to be held on **28,29,30th August 2015** are going on well. Those of you who have not registered so far should do immediately. The detailed scientific programme shall be announced in some time.

The response to the first two CME this academic year was very encouraging. Have planned a few more after our annual conference. Your suggestions are welcome.

Shall keep you updated.

Regards

Vijay Bhatt

President BOA
